He thinks every farmer should have several of them for his hogs.

A telegram to relatives in this city was received on Wednesday, the 30th of September, announcing the death of Capt. Augustus F. Edwards, of Darlington County. The Florence Times of the following day records the death and event as follows: "Capt. A. F. Edwards, living at Palmetto, about six miles from Florence, on the Cheraw and Darlington Railroad, was found dead in bed by his wife on yesterday morning. Capt. Edwards was a prominent citizen, and had acquired a handsome property. He was largely identified with Florence, and his business and church interests were connected with this place. He was a member of the Florence Baptist Church, and prominent in all affairs of church, and at the time of his death was President of the Baptist County Sunday School Convention. He has a large acquaintance throughout the State, and they, with those who knew him well, will be pained to learn of his sudden death. He leaves a large family." Capt. Edwards was a brother of Mrs. C. R. Murray of this City.

The Remembrance of Orr's Regiment.

Of the many reunions of the survivors of the Confederate service, none has been conducted in a more pleasant and interesting manner than the gathering of Orr's Regiment of Rifles at Sandy Springs, beginning on Tuesday evening and lasting until Thursday morning of last week. The weather was quite unfavorable, but there was a large gathering of the survivors and their friends. The day was a beautiful one, and the esteem in which the veterans hold the memory of their first commanders. An Association of the veterans was formed, and the following officers elected: Col. McD. Miller, President; Lt. Col. J. Thomas Robinson, 1st Vice President; Maj. L. Rodgers, 2nd Vice President; Adj. W. C. Keith, Secretary; R. H. Hemphill, Asst. Secretary; B. F. Crayton, Treasurer.

The occasion was one of great interest. Many men met for the first time since their regiment left the service, and the reunion afforded the opportunity to converse together over many of the prominent incidents of the war in which these veterans bore so arduous and honorable a part.

It is expected that the permanent organization of the survivors will bring more frequent reunions and thereby keep up the associations which are connected with the most eventful and trying period of our country's history. The speeches of Col. Orr and the veterans who spoke in the most complimentary manner, and all present enjoyed the reunion very much. The committee in charge of the matter deserve congratulation upon the success which attended their efforts to perfect a Survivor's Association.

The Circuit Court.

The October Term of the Court of General Sessions for Anderson County was convened on last Monday morning, his Honor Judge Wallace presiding. Solicitor Orr and Court Stenographer Aiken were in their places.

Judge Wallace called to the Grand Jury that they were familiar with the duties required of them, as they had been charged by his predecessors, and therefore needed no instructions from him. Solicitor Orr handed the Grand Jury a number of indictments, and they retired. Court then took a recess until 2 p. m.

The Grand Jury found true bills in all the cases before them, with one exception.

The following cases were tried:

State vs. Bob Hammond, alias Robert Hammond. Carrying concealed weapon. Guilty. Sentenced to three months' imprisonment in the Penitentiary, or pay a fine of \$25.00.

State vs. Daniel Williams. Assault and battery with intent to kill. Not guilty.

State vs. Francis Thompson. Murder. Not guilty.

State vs. Isaac Anderson. Adultery. Guilty. Sealed sentence.

State vs. Lizzie Freeman. House-breaking in the day time and larceny. Plead guilty. Sentenced to thirty days' imprisonment in the County Jail.

State vs. Nathan Kessler. Adultery and fornication. Guilty. Sentenced to six months' imprisonment in the Penitentiary, or pay a fine of \$150.00.

State vs. Jesse J. Dobbins and Mary E. Varnell. Adultery and fornication. Guilty. Each sentenced to six months' imprisonment in the Penitentiary, or pay a fine of \$150.00.

State vs. Win. Freeman. Carrying concealed weapon. Plead guilty. Sentenced to imprisonment in the County Jail for three months, or pay a fine of \$20.00.

State vs. Ben Brown. House-breaking in day time and larceny. Guilty. Sentenced to imprisonment in the Penitentiary for one year.

State vs. Seaborn Ward. Stealing grain from the field. Guilty. Sentenced to imprisonment in the Penitentiary for one year.

State vs. J. M. Holcombe and J. Thompson. Selling absconded spirits without a prescription. Guilty, with recommendation to mercy. Sentenced to pay a fine of \$50.00 each.

State vs. Chesley Brown. Adultery and fornication. Guilty. Sentenced to six months' imprisonment in the Penitentiary, or pay a fine of \$150.00.

The juries were dismissed at noon on Wednesday until Monday morning next. The interval will be used in attending to the equity business of the term. Judge Wallace has shown great diligence and pluck in the conduct of the business of the term. His uniform courtesy and fairness upon the Bench marks him as one of the best and ablest of our Circuit Judges. The bar and the people alike are delighted with him.

The Firemen's Ball.

The large and spacious hall, known as Moore's Rink, on last Friday evening, was the scene of one of the largest and most brilliant assemblages ever gathered together in Anderson on any similar occasion within our recollection, the occasion being the Ball of the Pioneer Firemen of this city. The preparations and arrangements for the Ball had been quietly going on for several weeks prior, and few people realized the magnitude of the occasion. Several hundred very handsome invitations had been printed, and these were mailed on the Monday previous. Friday morning was ushered in as the preceding days the week had been, by dense clouds and frequent showers of rain. The Pioneers and a large number of their friends were a look of disappointment. Their pleasant anticipations seemed to be blasted. However, they were not altogether faint-hearted, and as the day passed on the clouds were watched with eager eyes. This did not change the weather, though, and at nightfall all the public carriages in the city were engaged and they were running in every direction.

About 9 o'clock we entered the brightly illuminated hall, and at first glance detected the work of their hands in the flower and evergreen decorations. The crowd already present was large, but the gallant beaux and fascinating belles continued to pour in. It was plain then that despite the weather the Ball was a grand success, the crowd in attendance being variously estimated at from 350 to 500 persons. While listening to the delightful strains of music from the Young American Cornet Band, which was present, we looked around and saw the old and the young, every one wearing a happy countenance. A number of these were visitors from a distance, both ladies and gentlemen. The goddess Terpsichore seemed to have the majority under her sway, and the engagement cards were being rapidly filled up for the various dances on the programme.

The soft, sweet music of the Italian band struck up, and in a few minutes the opening quadrille, under the direction of Mr. J. C. Kays, Chairman of the Floor Managers, was formed, and the youth and beauty, lovely maids and gallant swains, whirled amid the mazes of the dance. There were twenty-one dances down on the programme, but the small hours of the morning approached rapidly, and it had to be shortened. The dancing continued until about 11 o'clock, when the gay assemblage dispersed, every one pronouncing the occasion a most pleasant event.

From the ball room the Pioneers and a large number of the male portion of their friends repaired to their hall, where a most delightful hour was spent in partaking of a bountiful supply of refreshments, and the gentlemen made some of the most amusing and impromptu speeches.

The occasion will long be remembered by all who participated, and the Pioneers are to be congratulated for the admirable manner in which everything was carried out. Too much praise cannot be bestowed on the committees of arrangements, which consisted of Messrs. G. M. Tolly, A. H. Osborne, Jr., H. McGrath, J. M. Cathcart, D. Seligman and A. C. Pinkard, to whom largely the success of the occasion may be attributed.

A Day of Fasting, Humiliation and Prayer.

HONORA PARLI, S. C., Oct. 2, 1885.

The Churches of the Saluda Baptist Association will please bear in mind that at our last meeting it was resolved that Friday, 18th October, be set apart as a day of fasting, humiliation and prayer, and that the Churches are requested to properly observe that day by meeting at their respective places of worship—fasting—there to that on the Heavenly Father, all His benefits, humble themselves before Him, confess their sins and ask for His forgiving mercy, that by His grace they may be able to consecrate themselves wholly to His service, and walk more circumspectly before Him and the world, and that "pure and undefiled religion" may abound among us. Now, brethren, to the work of getting ready to preparing for the service of that day by announcement in all our Churches for the assembling of the people, with or without their pastors, so that when it comes we may meet in proper frame of mind. By abstaining from the use of food or water, as well as the luxuries of life, we may be able the better to appreciate the blessings we are the constant recipients of. Will not all the pastors of all the Churches, with all the members, give publicity to this announcement, that our houses of worship may be filled and that the action of our Association may be made a season of blessing to all?

We also cordially invite all other Christian Churches, of every name, to co-operate with us, by meeting at their places of worship as we propose.

M. McGEE.

Clerk Saluda Baptist Association.

The South Carolina Presbytery.

GREENWOOD, S. C., Oct. 5, 1885.

Editor Intelligencer: The Presbytery of South Carolina has been in session at this place since the evening of the 2nd inst., and will adjourn this afternoon or tomorrow.

Thirteen ministers are present, and some thirty-five Churches are represented, leaving only three ministers absent and about ten Churches with no representative present. The opening sermon was preached by Rev. J. O. Lindsay, D.D., after which the Presbytery was constituted by prayer. Rev. J. M. L. Strickland, Moderator, called to order. Elder L. W. Perrin, Assistant Clerk. Rev. S. L. Morris, the permanent Clerk was present. The narratives sent up from the various Churches show, in the main, a rather hopeful condition of the several interests of the Church.

The past relation, which for eleven years has existed so pleasantly and profitably between Rev. A. Fair and the Newberry Church, was dissolved at the request of the pastor because solely of his growing physical infirmity. Rev. W. G. Neville, also, was released from the pastorate of Cokesbury and Ninety-Six Churches, as Mr. Fair has removed to Lancaster, C. H., and will labor in Enoree Presbytery, and Rev. Neville will most probably accept a call from a Church near Lexington, Kentucky.

A request for the establishment of a Church at Mt. Carmel, on the Savannah Valley Railroad, in Abbeville County, was sent up, and a commission therefor was appointed.

The crying need of this Presbytery is ministers. Far too many of the Churches complain of having no regular preaching. Presbytery will endeavor at once to secure a suitable evangelist and put him to work within its bounds.

A large stock of the Presbyterian Conference was held Saturday night, at which the fact of a growth of interest in the matter of Foreign Missions was developed.

The Church at Abbeville, which has been without a Pastor since the resignation a year ago of Dr. Martin, presented through Presbytery, a call for the services of Rev. J. Lowry Wilson, of Bethel Presbytery, and there is a strong probability that it will accept. Westminster and Retreat Churches presented calls for the pastoral services of Rev. Mr. Kirkpatrick, of the Newberry Presbytery.

The membership of the Church at large has been greatly augmented during the past year, all the indications being of an encouraging nature. There are many topics of minor interest of which I would like to speak, but space forbids.

The session has been exceedingly harmonious, and the hospitality of the people of Greenwood most sumptuous and elegant.

The Spring meeting of Presbytery will be held at Newberry, beginning at 7 o'clock p. m., Friday before the second Sunday in April, 1886.

Mr. Z. L. Burris's Fish Pond.

Mr. Burris: According to previous arrangement, on the day appointed for the drawing of Mr. Z. L. Burris's fish pond, notwithstanding the inclemency of the weather at the appointed hour a goodly number assembled at the pond, and everything being ready Mr. Burris commenced the drawing of the lucky tribe, which he had so long wished to see. The stalwart freedman had not made many dips until it proved that Mr. Burris had not wished in vain, and that the fruits of his labor were to be seen in the sensus fall of fish which were continually being brought to land. The writer was present and was asked by Mr. Burris to assist him in weighing some of the largest. We measured some that were two years old, and they measured twenty-four inches long and weighed six and one-half pounds. Then we proceeded to weigh some one year old, and they tipped the beam at two pounds each. It was agreed by those present that the number of the two-pound fish was between four and five hundred, and those which weigh six and one-half pounds from seventy-five to one hundred. It is true no accuracy could be arrived at from the fact the vessels which Mr. Burris had were not sufficient to hold the fish caught. As for those from three to four inches long, I am at a loss to number them. Suffice it to say they were numerous. It was my good fortune to be one of the invited guests to dine with Mr. Burris. It was the verdict after dinner that the carp is the finest fish we have ever eaten. Mr. Burris has one of the finest fish ponds in the County, and it will not be long until he will reap a handsome income from it.

JAMES L. O. SHAW.

Grand Jury's Presentment.

STATE OF SOUTH CAROLINA, COUNTY OF ANDERSON.

We, the Grand Jury of Anderson County, at this the third Term of the Court of General Sessions, do leave respectfully to make the following report, to wit:

That we have discharged the several duties committed to us by this Court, and have visited the various public offices, and also the House and Jail by committees, and find the same neatly and properly kept.

We heartily approve of the changes made in the Clerk's Office and the Judge of Probate's Office, and also the removal of the County Treasurer's Office out of the Court House.

We have examined the following Trial Justices' books: J. C. C. Shepherdson, W. F. Cox, J. L. Ryan and W. E. Waters, and find them properly kept.

We approve of the indexes now being made by the Clerk of the Court of the records of his office, and recommend that it be completed, done and paid for by the County.

We recommend that good substantial locks be furnished to the Sheriff; some of the Jail cells being weak locks, or furnished with very inferior locks.

We heartily approve of the excellent management of our County finances by our Board of County Commissioners.

We recommend and do hope that our County Commissioners and members of the Legislature will levy a sufficient tax to pay our County out of debt, and to enable our Commissioners to run the County on a cash system.

The roads, with a few exceptions, are in good condition. We would call the attention of our County Commissioners to the road leading from Union Church to Jim Burris's lower mill, near Alex. A. H. Osborne, Jr. It is in a dangerous condition on account of the narrow road and deep ditches on each side.

There was a strong petition presented to our Grand Jury asking that the rice farms and dams on Beaverdam Creek, in Hopewell Township, be closed to the cultivation of rice on said creek. We herewith present the petition, and recommend that such action be taken by the proper authorities to stop the rice farms in that Township and secure the health of the community.

We also heard a petition presented to our Grand Jury asking that the rice farms and dams on Beaverdam Creek, in Hopewell Township, be closed to the cultivation of rice on said creek. We herewith present the petition, and recommend that such action be taken by the proper authorities to stop the rice farms in that Township and secure the health of the community.

Very respectfully,

N. O. FARMER, Foreman.

Appropriate Words in Due Season.

Something new in the clothing business has just been introduced. I propose to sell my goods. I appreciate the fact that nearly every store here has clothing, and I propose to sell my goods at a low price. I too late to advertise goods at cost when everybody has a bought. I do not intend to carry over a single pair of Winter Suits, but I can sell at anyone's best cost. I think I am offering some of the grandest drives in clothing to be found in this city any time this season.

I have in stock men's, youths', boys' and children's suits and overcoats. I have a good line of samples of fine goods, which I will order for a small commission. I can get anything wanted inside of a week, and always at a reduced price. I do not take the goods if you are any way disappointed when they come. I am not to be run out by mere talk. I do not care what I depend upon, and they will build me up a good trade here, "and don't you forget it."

OBITUARY.

Emma F. Alexander, daughter by a former marriage of Mrs. Dr. W. K. Sharp, of Townville, S. C., died of "diphtheria," Monday night, Sept. 21st, after an illness of only a few days. She was born the 15th day of Oct., 1875, and consequently, at time of her death, was 9 years, 11 months and 6 days old.

Little Emma was a model of sweetness, gentleness, kindness, and was a general favorite wherever known. She was a member of the Townville Baptist Church Sunday School, which she dearly loved, and always recited good lessons. Though so young, yet she was a great help to her mother, and, when putting her little garments and shoes on, she would tell them the "Lord's Prayer" and the "Child's Prayer."

The kind Shepherd found her, Laid her in his arms, And when he thought of her, He would sigh and say, "If I were here, I would have been her mother, and she would have been my daughter."

She was buried in the cemetery at Townville, on Tuesday morning, Sept. 22nd, at 10 o'clock a. m., Friday before the second Sunday in April, 1886.

SEASON 1885-86

WE are now receiving at our Store one of the LARGEST and MOST CAREFULLY selected Stocks of GENERAL MERCHANDISE that we have ever brought to this market.

These Goods were bought at FIRST HANDS, and at much lower prices than we have ever bought before. Therefore, our friends can rest assured that we will give them all the advantages in quality and price that our complete facilities will allow.

We bought largely of BAGGING and TIES early in the season, and can complete with any house in the city on these articles.

Our stock of BOOTS and SHOES is complete in every particular, and we offer splendid assortments of various styles for Gents, Ladies, Misses and Children. We have a large stock of Gents' HAND-MADE SHOES in all styles, at much lower figures than usual.

We have enlarged our Store Room, which will enable us to carry a much larger Stock than we have formerly done, and can compete in quality and price with any house in the trade.

Our DRY GOODS, DRESS GOODS, CLOTHING AND GENTS' FURNISHING DEPARTMENTS have received our special attention while buying, and we call the attention of our friends and customers to the fact that we can sell stylish and desirable Goods at reasonable prices.

We have a splendid line of Gents', Youths' and Children's HATS and CAPS, TRUNKS, VALISES, UMBRELLAS, SADDLES, HARNESSES, BRIDLES, COLLARS, WHIPS, BLANKETS, Sole, Upper and Harness LEATHER.

HARDWARE, CROCKERY, GLASSWARE, WOODEN WARE. THE BEST CHURN IN THE WORLD for the price.

PLANTATION MACHINERY, FARMING IMPLEMENTS, WAGONS, TURNING PLOWS, HARROWS, &c., &c.
